

# Our clinic uses Ocean!

## What is Ocean?

Ocean is the technology that helps us securely connect with our patients online and through email or text/SMS.

## How does Ocean help?

With Ocean, you can easily book new appointments, get reminders, complete digital forms and more!

## Where can I learn more?

Please ask our staff if you need help with Ocean, or visit the guide for patients at [ocean.tips/patients](https://ocean.tips/patients)
